

### Testimonial of AC Competencies when applying for AC through portfolio

Applicants seeking approval are required to provide two additional testimonies in addition to their two references, from suitably qualified professionals in a senior role that can validate the applicants aptitude for the AC role. One testimony must be from a different profession from the applicant. Applicants applying for AC approval via the portfolio route must be able to demonstrate a comprehensive overall understanding of the role of the AC, including the specific role of the RC, as well as the legal responsibilities of and the key functions reserved to the RC.

Please confirm that you have observed ----- (Applicants name) carrying out the duties that demonstrated the competencies as listed below.

1 Understanding the role of the approved clinician and responsible clinician

2 Legal and Policy Framework

3 Assessment

4 Treatment

---

5 Care Planning

6 Leadership and Multi-Disciplinary working

7 Equality and Diversity

8 Communication
